Sponsor Opportunities

Be part of the premier nonprofit education and networking event of the year!

Main venue: Sheridan College Atrium

Wyoming Nonprofit Network's audience of nonprofit professionals is exceptional. Nonprofits protect, feed, heal, shelter, educate and nurture our bodies and spirits while investing significant financial and human resources in our communities. Their work is intricately tied to the vibrancy, health and well-being of Wyoming's people and resources.

Connect with us as a sponsor and introduce your organization to an audience of inspired professionals and stakeholders that represent Wyoming's diverse nonprofit sector. Symposium attendees include nonprofit directors and staff, board members, volunteers, foundation representatives, business partners, National and Community Service participants and grantees, and students.

We value individuals, businesses and foundations who believe that doing good is good for business and good for our communities. Connect with Wyoming's nonprofit leaders at a time when they are eager for new products, services and ideas that support their mission. With longer breaks sprinkled throughout the conference and an evening networking event, attendees will have multiple opportunities to visit with sponsors, exhibitors, presenters and their peers.
