Job Posting for Adult Events Coordinator

HOURS & SALARY: Full-time 38-hours per week, with a starting salary of $18.10 an hour.

Working at Laramie County Library System is about joining an award-winning organization that sets the bar for service regionally and nationally. The Library Journal 2008 Library of the Year, Laramie County Library System is a hub for engagement, literacy and learning, and lifelong curiosity and discovery. With nearly 385,000 yearly visitors to a 103,000 sq. ft. central library, two branch libraries, and bookmobile, Laramie County Library System champions a knowledgeable and engaged community.

The individual in this position will have the opportunity to develop, plan and implement adult events for the library facility in Cheyenne and work collaboratively with library employees in the Burns and Pine Bluffs Branches to assist them in their planning of adult events. Events will be delivered in a variety of formats, both in-person and virtually, as well as in library facilities and various locations in the community. Although the only person in an Adult Events Coordinator position, the successful candidate will work closely with library colleagues in the Adult Services division to offer fun or serious, leisure or educational events, that are relevant to members of the community. The ability to grow, maintain and create partnerships throughout the community is an important aspect of the position. As part of the Adult Services division, the individual in this position will be trained as a Reference Specialist and work directly with the public on the Ask Here desk on the third floor of the library up to 12 hours a week.

This is a position that has recently been changed from part- to full-time. Until about a year ago, the position was previously in a different division of the library and is newer to the Adult Services division. Being responsible for all adult events, though new, fits in with the events that this division has long been responsible for relating to supporting businesses and providing genealogy research training. Working in a team environment, not all events will be planned and/or conducted by the Adult Events Coordinator. A background in event or party planning or education and a service ethic to the public will be important to success.
