## Why complete the Census?

### It's Important

Your participation in the 2020 U.S. Census means that Wyoming receives its fair share of federal funding for health services, programs for veterans, education, school lunch, road improvements, and many other services. Every person truly counts!

### It's Easy

The Census takes just a few minutes to complete. You will be asked questions like age, gender, and the number of people who live in your home including children. You can respond online (using a computer or a smart phone), over the telephone, or by completing a paper form.

### It's Safe

The U.S. Census is bound by law to keep your answers strictly confidential. The census will never ask for social security numbers, bank or credit card numbers, money or donations, or anything related to political parties.

It makes **SENSE** to complete the **CENSUS!**
